# Campus Bulletin

**No. 8 - 92** **March 12, 1992**

**DEAF THOUGHT FOR THE WEEK:**

**If Deaf children are perceived as "flawed hearing" children, the chances of learning English, and of achieving harmonious relationships with hearing people are slim. If Deaf children are perceived as a non-English *speaking* minority, the mastery of English as a second language and positive relationships with hearing people will follow.**

CB Changes!! - The Campus Bulletin encourages submissions to be made electronically (by computer.) This will make preparation of the CB easier and hopefully make the Bulletin better. Submissions may be from either a WordPerfect or a First Choice "doc" file, and may be sent to the Principal's office on a floppy disc or via the Network's electronic mail feature. We need and want more submissions! In addition, we now have the capacity to incorporate drawings, photos, and other graphics in the CB. Please forward materials to the Principal's office. Since

art submissions will need to be "scanned" first, the deadline for graphics submissions will be Mondays. Gary McWhirter, Principal's Office

***This week no submissions were made electronically. No art or graphics have been submitted yet...***
